Focus

Camper's will have the opportunity to run and play in a majestic outdoor setting, canoeing and exploring nature at its finest. This camp offers a variety of amazing activities that children get to choose from. Once again allowing children the opportunity to make their own choices as to what activities they want to take part in. Utilizing the outdoors is a very important part of this camp. Whether it is making sand castles, playing survival games, visiting the Ecology Park, playing a game of soccer or taking part in outdoor crafts it all involves the outdoors and lots of fun!!

Canoeing

One of the great things about this camp is that it offers canoeing. Children will be given the opportunity to learn the basic canoe safety rules as well as paddling and stroke development, through fun instructional activities and events.
