Location

This camp is located outside at beautiful Lakefield Beach. Drop off and pick up are both at the Pavilion located at the Lakefield beach area.

Focus

Lakefield Beach is majestic and features walking trails, a baseball diamond, a tennis court, and an awesome beach area. This camp focuses on the great outdoors and allows children to choose from a variety of activities including crafts, sports, fitness, nature activities, wilderness and survival games. Our goal is to foster friendships in camp that will last a life time through small group activities and choices.

Swimming and Canoeing

Swimming, and beach play are all part of the daily activities offered. Children will also be taught the basic safety skills of canoeing and stroke development through games and fun instructional programs.
