

On October 22, 2008, the Greater Peterborough Chamber of Commerce recognized 150 outstanding community organizations. The YMCA was recognized with the "Customer First" Award. The Chamber's criteria for this award is:

"The nominee will demonstrate special consideration for the customers, ongoing employee training and a high level of understanding of, and commitment to, service excellence. The hallmark of this award should be friendly, honest, innovative, and approachable customer service on a consistent basis."

"It was a great pleasure to accept the Award on behalf of our entire Volunteer and Staff Team" said Bob Gallagher. Our community has recognized and applauded the great training and outstanding work that staff and volunteers do each and every day.
