Family memberships include two adults. All children under the age of 18 are included in the family membership. Young adults who are 18-21 years, who are full time students and living at home will retain their family membership status. At 22 years of age, this individual would then have the choice of purchasing an Adult Membership or a student membership.

Full time students who are 18 years of age or older and have a valid full time student card from a recognized university, college or high school are eligible for a student membership rate.

(G.S.T. does not apply to individuals 14 years and under). If your membership is inactive for 1 year or more, the BFF of \$85.00 must be paid again.

Daily Drop In

We do have options available for people looking to use the YMCA facilities for just a single day. Please note: Any guest 16 years or older must present photo ID any time they wish to use the YMCA facilities.

Membership Cards

All YMCA members are required to carry their membership cards with them in the facility. This helps us in case of emergencies. Using your card to access change rooms helps maintain building security and ensures the safety of members and their possessions.

Guest Passes

Each Adult Annual Membership will receive guest passes. These passes are provided to introduce potential members to our YMCA. Guests must be accompanied by a member and must provide photo ID.
